How to set up your dynamic fundraising badge in Facebook.
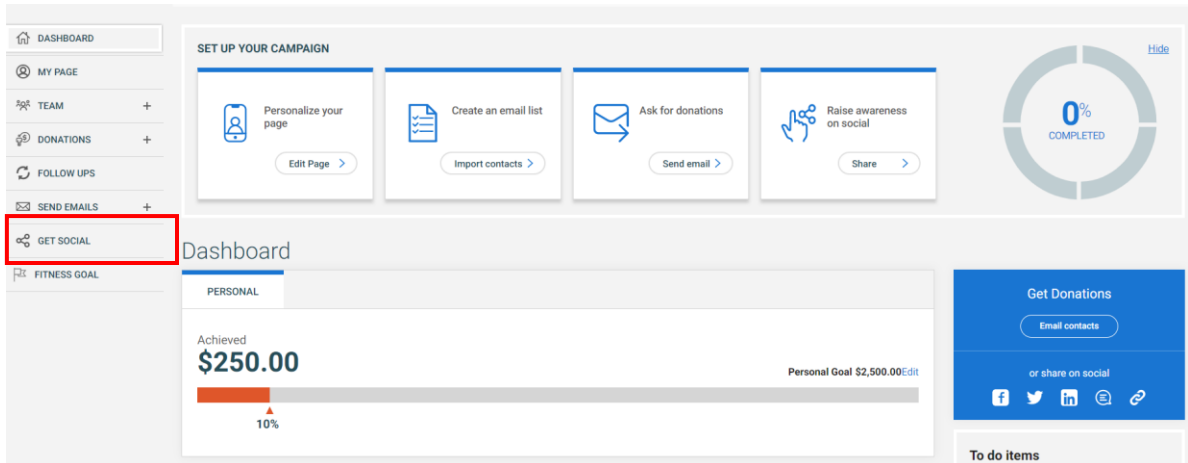

1. Log in to your participant Centre at https://supportthepmcf.ca/ui/Journey22/login

2. Click the Get Social button.

3. Under Get Social Fundraising Badge, click Copy to clipboard, then see the pop-up that the URL was copied to clipboard."

   Note: you can also paste this URL into your social posts to share your badge with your networks.
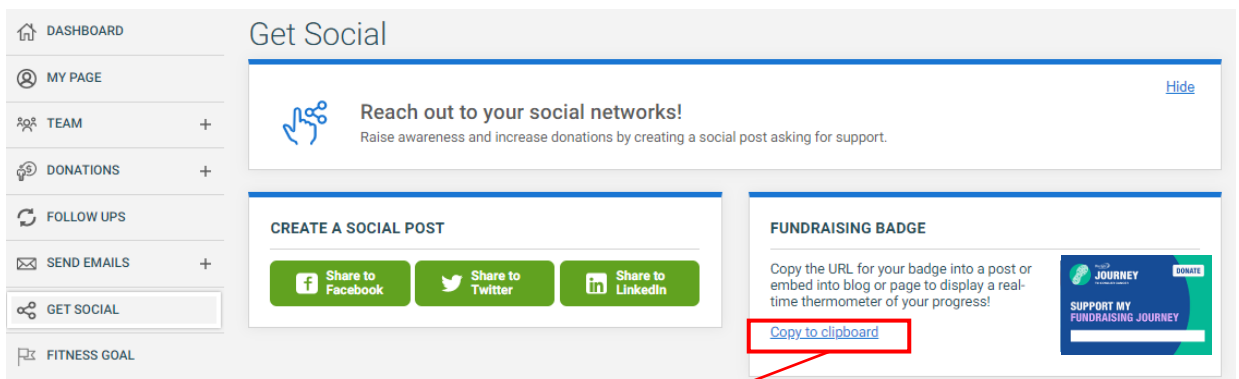

4. Create a new post and paste the URL. Note that this is pasted as an image only along with the long URL of the image. You can delete the link text "https://s3.ca-central...." and the image will remain.

Also, the image will not link to your fundraising page, therefore you may want to include a link to your page inside your post.
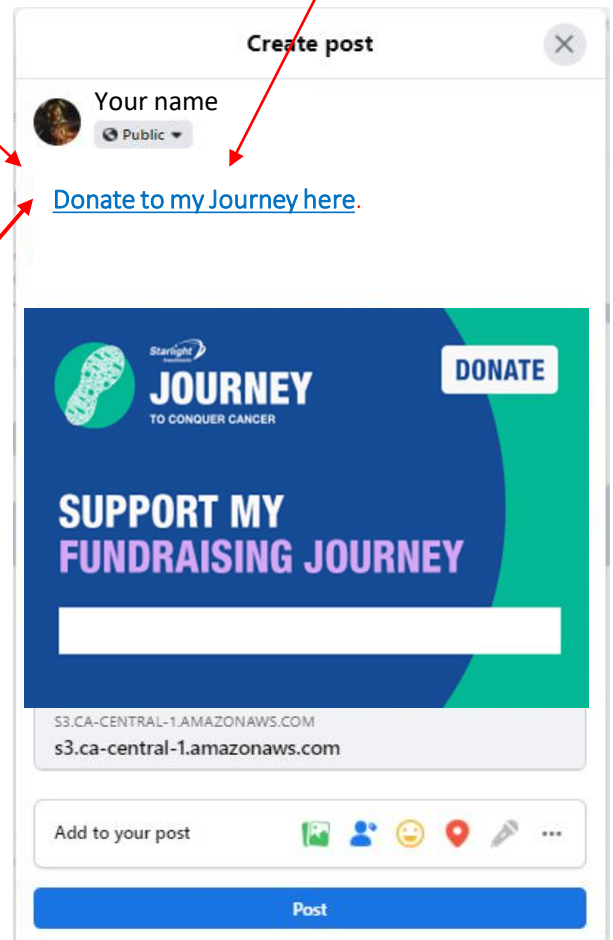

The link to your page can be found by clicking "My Page" in your Participant Centre, then copying the URL of that page.
